

Biology Department Fall 2006 Retreat

Saturday October 21st through Sunday October 22nd

Things to bring:

Comfortable clothes Posters
Sleeping bag/comforter/pillow (if you are staying overnight)

Transportation:

Parking space is limited so we encourage you all to carpool. Please indicate on the reply slip if you are willing to drive (# of people you can accommodate) or if you need a ride?

Volunteers:

We need volunteers to lead break-out group discussions following topics:

Finding Research Opportunities
Choosing a Research Project

For those that choose to stay overnight, we will love to have pseudotalks or mocktalks (chalk talks about the lighter things in life) in the evening and we are open to suggest.

Please return the reply slip ASAP (envelope in "Alex Cortez" box marked "retreat") or send email to acort001@student.ucr.edu
