

2000 Honda CRV EX 4200\$

5 speed

AWD

262,000 miles

Don't be afraid of the high mileage, this car is amazingly well maintained and is good for many more miles. Always serviced/maintained in time at a Honda dealer (I have a printed record of all services; last timing belt change: 207k miles; last valve adjustment: 224k miles)

New Honda battery

Paint in excellent condition

Electric windows and lock

Cruise control

A/C work nice and cool (was replaced at 207k miles)

Factory Honda alloy wheels

Fog lights

Tinted windows

Rear seats can fold flat for lots of space

Cable chains

Tow hitch

I am sad I have to sell this car because I am moving to Australia in early-December.

Kelly blue book value for "very good" condition is 4366\$, so pretty good deal.
