

UCR Teacher Education Services 1124 Sproul Hall

Call for Spring 2007 Applications to

The Integrative Teaching Credential Program in
Mathematics or Science (Biology, Chemistry, Geosciences, or
Physics)

For students interested in starting the teaching credential program in
Spring 2007. This may lead to an intern teaching position, in a
California public school, upon completion of your bachelor's degree and
requires two additional post baccalaureate quarters for completion.

To be eligible for this program you must:

- Have no more than 8 units remaining to graduate by Spring 2007
- Maintain a 3.0 GPA during your last two years as an undergraduate
- Be a Mathematics or Science Major
- Have passed the CBEST exam
- Have completed the subject matter competency by exam or program
- Have completed 30 hours of field work in a public school setting

Application information is available at:

www.education.ucr/teach

Deadline for applications is **October 31**
