

Upper Division Honors

ALL MAJORS WANTED!!!!

Your Research Project is a Scholarly Endeavor!

Why not receive Honors credit and recognition for your work!

If you are currently, or plan on, participating in any form of research (All Majors Welcome), then The Upper Division Honors Program is for you.

Just some of the Benefits include:

- You can receive credit on your transcript (a Transcript Notation) documenting your completed scholarly work.
- Priority Registration
- Recognition at Graduation

Your project does not have to be in your major, it can be a major project or an upper division senior paper/project within your major. Honors will accept a project approved/required by your department or department honors program if applicable.

Sign up for one session: http://www.honors.ucr.edu/UD_orient.asp
