

2009 EDGE Academy at San Gorgonio HS

The EDGE (Education Dedicated to Graduating Everyone) Academy for is a program developed from a partnership between San Gorgonio High School, in San Bernardino, and the UCR ALPHA Center.

The purpose of the program is to provide students with enhanced tutoring experiences in mathematics, particularly Algebra 1 and Geometry. Your job will be to assist the mathematics teachers in instruction as well as serve as a resource for students to learn what it is like to be a college student.

The EDGE Academy will take place at San Gorgonio High School (2299 East Pacific Street, San Bernardino), from July 6th to July 31st. Classes will take place from 8 AM to 3PM and from Monday to Friday.

If hired, you will be required to attend a mandatory planning day with program coordinators and teachers. Time and location for this meeting still to be determined. You will also be required to chaperon students during 2 field trips to UCR (July 23rd and July 24th).

Compensation for participating in the academy as apprentice is \$2,160 (this amount does not include tax deduction), which will be paid at the end of the month of July upon verification of complete participation in the academy.

If interested, please complete the application form and return it to Maria C. Simani by June 13.
