MFA Reading and Book Launch Party

June 7, 2007, 6-9 PM

ArtsWalk

SweeneyPROOFS is the Sweeney Art Gallery's signature series of literary readings. On Thursday, June 7th, The Sweeney is proud to present a night of original writing featuring some of the University of California, Riverside's finest writers. Master of Fine Arts candidates from the department of Creative Writing will read their work in the gallery during June's First Thursday ArtsWalk event. In addition, the Creative Writing Department will release the 2007 edition of CRATE, the creative writing magazine of UCR.

ArtsWalk occurs on the first Thursday of every month, when galleries and museums in downtown Riverside stay open late and provide entertainment.

SweeneyPROOFS is a joint presentation of the Sweeney Art Gallery and the Department of Creative Writing.
