CALL FOR ABSTRACTS

The Graduate Student Association provides many opportunities for graduate students to know one another socially, and this conference is an opportunity for graduate students to get to know one another professionally. We want to know what you are doing at UCR. We are curious about how your research affects other fields or the world at large. We welcome posters, paper presentations, art displays, and creative works (such as dance or readings).

Please fill out the attached form and email it to ucr.consilience.conference@gmail.com (preferred) or you may print a copy and bring it to the GSA office.
