

Want to Learn More About Research.gov?

## Attend A Research.gov Webinar!

The National Science Foundation (NSF) is hosting a series of webinars for grantees interested in learning more about Research.gov! Each webinar will review current and upcoming services and tools for the research community, including:

- The transition of annual, final and interim project reports to Research.gov
- Financial services available on Research.gov and the upcoming Automated Cash Management Service (ACM\$)
- Access services such as InCommon and Single-Sign On with FastLane

## Upcoming Research.gov Webinars

■ October 12: Project Reports are Moving: What's In It for Me?

■ November 16: How Can Research.gov Help Me?

Want your own webinar? NSF offers individual webinars for institutions interested in learning more about Research.gov and its services. Presentations can be customized to the needs of individual institutions and highlight both the public information available through Research.gov, as well as the services available to grantees.
