- Mini presentation – new Director of Health Professions Advisors

The Topic Bank is just a place to keep brainstormed ideas. Presenters can feel free to take from these or create their own. New ideas can be added at any time.

Any Lead/Co-Lead is welcome to invite a presenter to host a <u>mini-presentation</u> at the beginning of their session (first 10-15 minutes). We've done this in the past, and it was a great way to highlight or introduce a different office, person, service, or initiative. Past examples include Outdoor Excursions (REC Center), Susan Allen Ortega (discussed Students in Crisis reporting through DOS).
