CHANCELLORS

Dear Colleagues:

As discussed at the last Council of Chancellors meeting, my office has prepared a fact sheet addressing a number of myths about the funding of the University's operations. I enclose a copy of the final document.

Copies of this document also are being shared with your Communications and Human Resources offices. A Spanish translation will be provided to those offices as well. I encourage you to ensure that every member of the faculty and staff on your campus receives a copy of this document and that it is posted on a prominent Web site as well.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark G. Yudof'.

Mark G. Yudof
President
