

# **We are interested in hearing your thoughts about PrEP, vaccination, and mobile health services**

You may be eligible for the study if you:

- Identify as a man who has sex with men, trans person, or woman
- Are age 18 or older
- Live in California
- Can speak and understand English or Spanish
- Have internet access and a computer, tablet, or smartphone that you can use to video chat

The study will involve filling out a short survey and participating in a 90-minute video-recorded online group discussion

**You will receive a \$50 Amazon gift card for participating!**
