

Your Son Can Excel at Math

2021 CAAP
Legacy Roundtable

ACCELERATED
MATHEMATIC
ACADEMY

UC RIVERSIDE

**Orientation:
Nov. 14, 2020
9–11am**

Proficiency in math is one of the most important skills a young student can obtain. If a career in Science, Technology, Engineering or Math is a student's dream, participating in the Legacy Roundtable Mathematics Academy is a must.

Through this rigorous program, students will:

Work with highly skilled UCR student tutors

Improve study skills

Reinforce cultural connections

Prepare for STEM careers
