

**VOLUNTEERS
NEEDED**

CELEBRATE FREEDOM

JUNETEENTH JUNE 19

achievements **UC RIVERSIDE** *contributions*

UCR BFASA, ASP Students, and UCR Black Alumni,

“The University of California, Riverside will transform the lives of the diverse people of California, the nation, and the world through the discovery, communication, translation, application, and preservation of knowledge – thereby enriching the state’s economic, social, cultural, and environmental future.” - [UCR Mission Statement](#)

UCR’s mission is clear. Why not fulfill this mission through the acknowledgment, celebration and preservation of Juneteenth? The time is now for us to come together and recognize the achievements and contributions of UCR’s Black faculty, staff, students, and alumni. In collaboration with ASP, BFASA unites to bring forth the principles of community, while enriching UCR’s economic, social, cultural, and environmental future in an enjoyable and educational 2nd annual Juneteenth celebration.

Sign-up to volunteer or provide input/resources in making this event a success. Be the difference and inspire change. There is power in unity.
