

## DIVISION OF BIOMEDICAL SCIENCES

### Application for Clinical and Technical Graduate Student Researcher Position

The Division of Biomedical Sciences is offering two Technical Graduate Student Researcher (T-GSR; each 50% appointment) positions. The term of appointment is one-year: July 1 – June 30.

Students should submit completed application to **biomedsci@medsch.ucr.edu** by **May 8, 2026** for full consideration. Applications will not be considered complete until a letter of reference from the student's major professor is received.

Naming convention for application document: BiomedGSR\_app\_first initial and last name.

Ex: *BiomedGSR\_app\_JSmith*

Applicant's Name: \_\_\_\_\_ Email: \_\_\_\_\_

Current year in program: \_\_\_\_\_

Date/Term of Advancement to Candidacy (ATC): \_\_\_\_\_ (if applicable)

If not ATC, anticipated date of qualifying exam: \_\_\_\_\_

Faculty Mentor: \_\_\_\_\_ Email: \_\_\_\_\_

#### Reason for T-GSR application:

- To gain more experience in clinical setting
- To develop skills in instrumentation usable in research
- Financial support need
- Other: \_\_\_\_\_

For Technical GSR consideration, explain what research projects (and publications, if applicable) you have performed using advanced methods in Microscopy, Flow Cytometry, Genomics (Nanostring/10X) and Metabolomics (Seahorse).

Provide a list of previous TAsip appointments and any specialized GSR positions at UCR beyond those in the lab of your major professor UCR. Ex. *BMSC 233 with Dates of appointment* or *C-GSR with Dates of appointment*.

**Student applicant signature:** \_\_\_\_\_

**Faculty Mentor Support:**

I support my student's T-GSR application and confirm that they are available for the entire one year appointment period.

**Major Professor Signature:** \_\_\_\_\_

**Additional documentation to be included with application**

- Provide a Curriculum Vitae (CV)
- Letter of reference from Major Professor
