

## **Planet Imagery Day | Fri., May 2 | 9 a.m. - 12 p.m.**

Join us at Planet Imagery Day for an event filled with informative presentations and demonstrations! This exciting event will be held at the Orbach Science Library in Room 122 with talks from Planet staff, Esri staff, and UCR researchers. Coffee and pastries will be served.

Whether you're already using Planet imagery for research purposes or would like to get started with Planet, this event is perfect for you. Connect with fellow Planet imagery researchers and ask Planet staff your questions directly.
