

VWR Spring Life Science Fair

Come discover new technologies and connect with suppliers who help you set science in motion.

DATE: THURSDAY, MAY 21, 2026

HOURS: 11 AM - 1:30 PM

LOCATION: COURTYARD OF ENTOMOLOGY BUILDING

BRUNCH INCLUDED!

Come join your VWR team and learn more from your suppliers supporting cell biology, genomics, and proteomics related research areas. Explore a range of tools, new technologies, and lab solutions designed to support your work from discovery through development.

Connect with product specialists, ask questions, and get a closer look at solutions relevant to your day-to-day work. Whether you're evaluating new approaches or sourcing reliable supply chain, this is a chance to engage with multiple vendors all in one place.

Take time to walk through, learn what's new, and make connections that support your research now and moving forward.

SUPPLIER LOGOS

For Questions and Concerns, please contact:

Katie Tran, Life Science Specialist, katherine.tran@avantorsciences.com
BreAnne Custodio, Sales Director, breanne.custodio@avantorsciences.com
Sebastian Beuchelt, BDM, sebastian.beuchelt@avantorsciences.com
