

The logo for UC Riverside, featuring the letters "UC" in white on a blue square background, followed by the word "RIVERSIDE" in blue on a white background.A scenic view of the UC Riverside campus at sunset, with a prominent clock tower and mountains in the background.

UC RIVERSIDE

MASTER OF PUBLIC HEALTH

ABOUT US

UC Riverside School of Medicine's Master of Public Health program focuses on community health equity and aims to train future public health leaders with rigorous interdisciplinary instruction. The program aligns with the school's mission to enhance the health of the people of Inland Southern California and other underserved communities.
