Ontario, California (December 9, 2021) – The **Cardenas Markets Foundation** continues its commitment to supporting the communities it serves by providing **$177,000** in **scholarship funds** to students in the areas where Cardenas Markets operates.

In sum, 59 scholarships totaling **$3,000** each will be awarded for the 2022 academic year, which reflects a $1,000 increase from the 2021 academic year.

Recipients will be selected based on their academic qualifications, financial need, leadership attributes and commitment to serving their local community.

"The Cardenas Markets Foundation is committed to helping students advance their educational goals," said **Adam Salgado,** President for the Cardenas Markets Foundation. "We understand that the cost of tuition and fees continues to increase year over year, and it's becoming increasingly challenging to cover these rising costs.
