Success Series Winter 2022

January

18

Admissions Overview: The Graduate Application Process

The workshop will cover the basic requirements of a graduate application (3) letters of recommendation, GRE scores, review of GPA requirements, the statement of purpose, and a personal statement.

January

25

Undergraduate Research in Graduate Admissions

Research is an integral part of graduate applications, this workshop will provide information on undergraduate research opportunities at UCR. Hear from your peers on how they have engaged in undergraduate research.

February

1

How to Write a Great Statement of Purpose

The goal of this workshop is to help students understand the role of the Statement of Purpose (SOP), the value of investing time into developing a strong SOP, and the necessary components of an SOP.

February

8

Graduate Student Panel: Demystifying Grad School

Current graduate students will share their stories and offer advice to current undergrads considering graduate school. They will cover how to obtain strong letters of recommendation and finance your graduate education. Participants will have an opportunity to ask questions following the panel presentations.
