

California-Nevada Chapter Soil & Water Conservation Society

2023 Scholarship Program

2023 SCHOLARSHIP ANNOUNCEMENT

Objective: The California-Nevada Chapter Soil and Water Conservation Society (CA-NV SWCS) offers an annual scholarship to encourage undergraduate students interested in soil and water conservation to obtain technical expertise and to pursue careers in soil and water resources.

Eligibility: Applicants must meet the following criteria:

1. Current enrollment in a full or part time undergraduate curriculum with a declared major related to soil and water resources at an accredited college or university within California or Nevada.
2. Have a cumulative college or university grade point average of 2.5 or better on a 4.0 scale.

Evaluation: Applicants will be ranked with 50% of the evaluation based on academic performance, 25% based on activities related to the area of soil and water conservation including membership in professional societies with special emphasis on SWCS, and 25% on demonstrated need. The Chair of the CA-NV SWCS Scholarship Committee will submit the applications to the committee members and, upon consensus, will forward recommendations to the Chapter Executive Council for final evaluation and make the selection of the awardees.

Award: A scholarship of \$1,000.00 will be awarded before the Fall Semester/ Quarter of the 2023-2024 school year (e.g., approximately August 2023).
