May 2023

**Program Dates:**  
June 26 - August 4, 2023

Are you interested in archival research or working with digital exhibits? UCR

undergraduate students are invited to apply to participate in a 6-week learning opportunity, led by UCR Library. This certificate program offers an opportunity for students to engage deeply with primary sources that highlight student activism and BIPOC student voices at UCR. Through 6 workshops and hands-on practice time during afternoon lab sessions, participants will develop practical skills with archival materials and digital research methods.
