

FIND YOUR FUTURE

NATIONAL FOREST FOUNDATION PROGRAM

The MANO Project (My Access to a Network of Opportunities) partners with the U.S. Forest Service and the National Forest Foundation to offer unique, **PAID** work experiences that connect, build and develop young leaders. These opportunities range from **10 to 16 weeks** long with opportunities to grow and succeed. We are currently recruiting for **EIGHT** positions.

FIELD RANGER - CREW LEAD - ARCADIA, CA

- Work tasks may include learning about local ecology, issues facing public lands, environmental education and interpretation, community outreach, supporting native habitat restoration efforts, and assisting with USFS maintenance. In addition, the Crew Leads will assist in co-supervising and mentoring six Crew Members during the summer.
- We are recruiting for **TWO** crew leads to serve 16 weeks.

FIELD RANGER - CREW MEMBERS - ARCADIA, CA

- Work tasks may include learning about local ecology, issues facing public lands, environmental education and interpretation, community outreach, supporting native habitat restoration efforts, and assisting with maintenance.
- We are recruiting for **SIX** crew members to serve 10 weeks.

DESIRED QUALIFICATIONS

- Passion for working in the environmental field supporting conservation education, sustainability programs, outdoor recreation, public engagement, and youth outreach.
- Ability to think independently, explore creative solutions, and communicate effectively.
- No previous work in the industry required.

STIPENDS + BENEFITS

- \$20-25 hourly rate
- Funds available to support professional development opportunities that align with role and goals
