About:

The California Actuarial Student Summit (CASS) is a one day event for college students who are studying or interested in actuarial science. This one day conference will include several presentations of interest to actuarial science students, with opportunities to meet and talk with actuary mentors, as well as an opportunity to network with peers.

One-Day Event:

The timing of CASS has been mindfully arranged to permit attendees to arrive in the morning and leave in the evening. Lunch will be included.

Registration:

There is no cost for students attend this conference, however, registration is required. Registration will be limited to the first 150 students. Additional registrants after the 150 cap has been met will be automatically added to a waitlist and notified as spots become available.

Register Today!
