

SALLAS AND EMA PRESENTS

GRADUATE SCHOOL & RESEARCH CHARLAS

English majors, undergraduate and prospective students are invited to a Humanities graduate student roundtable to hear about the speakers' journey to graduate school and their research interests in Latinx literature, Indigenous studies, Performance, Romance, the Gothic, and much more. All panelist are English graduate students with differing experiences and backgrounds.

Folks attending are welcome to ask our panelist questions regarding the application process and research interest/journey.
