## Upcoming Events

### October 14th, Thursday, 5:00 PM, at the Entomology Research Museum

**Night at the Museum** - We will have the opportunity to check out the UC's second oldest insect collection in a behind-the-scenes tour of the Entomology Research Museum that will be led by Senior Museum Scientist, Dr. Doug Yanega.  
For more information on the collection check out <https://entmuseum.ucr.edu/>

### October 21st, Thursday, 5:00 PM, at the Student Success Center Multi-Purpose Room 3

**Undergraduate Research Social** - Come meet with faculty and staff from Plant Sciences, Earth Sciences, Entomology, and Biology to learn about specimen-based research and potential opportunities in their labs! Snacks and light refreshments will be served. Attire is casual. Please RSVP →

### October 28th & November 4th, Thursdays, 5:00 PM at the Geology Courtyard

**Activity Nights** - Hang out with other members and work with Museum Scientist, Dr. Lauren English, to inventory beautiful minerals for the Earth Science collection.  
For more information on the department check out <https://epsci.ucr.edu/>

### December, date TBD, Coffee Bean, Business meeting

**Business Meeting** - Officers will be discussing events and other ideas to grow the club for the following quarter, including the Citrus Variety Tour 2022! If you have anything you'd like to contribute, we'd love to hear your opinions, especially if you'd like to be an officer next year.
