The University of California
Riverside in collaboration with
the U.S. Department of
Defense's Diversity Management
Operations Center presents

TAKING THE PENTAGON

TO THE PEOPLE

10.07.22

Register Now

All Students, Faculty, and Staff are Welcome!

DOD's Taking the Pentagon to the People Program provides:

- Information about student opportunities for employment, internships, and scholarships to students of minority institutions.
- Information on DoD's current & future opportunities in science, technology, engineering, mathematics, business, education, language, arts, and many other fields.
- A pathway to connect students and graduates directly to DoD Senior leaders, executives, and recruiters.
- Information for faculty and staff on research, fellowships, sabbaticals, contract, and grants.
