

# SCCUR 2022

SOUTHERN CALIFORNIA CONFERENCES FOR UNDERGRADUATE RESEARCH

# PEPPERDINE UNIVERSITY

MALIBU, CALIFORNIA

NOVEMBER 19, 2022

SCCUR provides a forum for the presentation of the best research, scholarship, and creative activities of undergraduate students in the region, and encourages communication of innovative achievements across disciplines.

The conference is broadly multi-disciplinary, including the arts, humanities, social sciences, natural sciences, and applied sciences. Students present their scholarly work either in 15-minute seminar presentations chaired by faculty moderators, in poster sessions, or in exhibition or performance.

Undergraduate students who wish to present their faculty-mentored research, scholarship, and creative activities at SCCUR are invited to complete this on-line Abstract Submission Form:
