We at BMPN would like to announce that after nearly 18 years of service to the University of California, Riverside, our esteemed Valerie Schulte has announced her retirement effective June 30th. This news is truly bittersweet in that we are extremely happy for her to embrace the next chapter of her life with her family and adorable grandchildren. However, we are also truly sad to see her leave UCR and will miss her knowledge and presence terribly.

Valerie temped in Athletics from August to December in 2003 and then was hired full time in the Accounting Office (when they were rolling out iTravel) in March 2004. She moved to Extramural Funds for two years and then completed a short stint as a Contracts and Grants analyst in Computer Science before she found her home at BMPN in 2007. The rest is history.

Valerie is retiring to Coeur d'Alene, Idaho-Spokane, Washington area to be near her two sons and grandson. She's hoping to do more traveling once the world settles down.
