

**November 9th, Monday,
11:00 AM- 12:00 PM
Online Via Zoom**

Antiracist Pedagogy (with GSA-DIAL)

Given the current social climate, implementing antiracist pedagogy in the classroom is more imperative than ever before. From this workshop, attendees will learn about the tenets of antiracism and engage in dialogue on ways to integrate these principles into their pedagogy, with a specific emphasis on addressing microaggressions and stereotypes.
