

# Evaluation of Summer TAs Begins This Year

In **Summer 2021**, **Teaching Assistants** will for the first time be **listed for evaluation in the iEval** system for sessions A, B, and F.

At this time, Graduate Division is not requiring first-time TAs to take the mandatory New TA Orientation during Summer. These TAs must complete Orientation during the following Fall.

Summer TAs will also continue to be waived from retraining requirements.

The TADP office will be available over Summer to assist department staff in resolving errors in the iEval listings.

## SUPPORT FOR SUMMER TAs
