

California Community College Internship Program (CCCIP) Information Session Wed, Feb 9, 2022 1 PM – 2 PM

Have you ever considered teaching at a California Community College?

The unique learning environment at the CCCs means competitive tenure track applicants must demonstrate their understanding of the CCC culture, student population they serve, and advanced pedagogical skills. We are here to help. The California Community College Internship Program (CCCIP) is an opportunity to gain classroom experience, receive advanced teaching training, network, and give you an edge as an applicant for CCC faculty opportunities.

Plus, you can receive a stipend of up to **\$7,500** for this two-three quarter long program.

To find out more about the program and the application process, register for the CCCIP Information Session by using this [form](#).
