RESIDENT DIRECTOR

JOB NO.: 27389974 | SALARY: \$52,100 - \$55,000

POSITION DESCRIPTION

The Resident Director (RD) is a full-time, 12-month, live-in position and serves as a member of the Residence Life Professional team. The RD is responsible for resident orientation to community living; resident counseling; policy enforcement and adjudication; day and night on-site crisis response; student programming; student staff recruitment, selection, training and evaluation; housing management and special projects. The RD provides a variety of support services to the residential students and assists with the management of the housing program. The residential facilities include residence halls, apartments and family housing.

Please note: This is a four (4) year one (1) additional

contract appointment with the possibility to be extended for year for a maximum total of five (5) years.
