

PHD JOB SEARCH BLUEPRINT WITH RESUME WORKSHOP

SEMINAR WITH
ISAIAH HANKEL, PHD

In this seminar, attendees will learn the entire transition workflow and how it should be approached. Topics include how to turn an academic CV into an industry resume, how to build a LinkedIn profile that attracts top tier employers, how to use modern technology to network and get job referrals, and how to execute a phone screen, video interview and site visit correctly to get hired. The entire hiring process, including how the process has and continues to change over the past two years, will be covered.

**MARCH 20TH, 2023 | 1PM - 3PM | ROOM 367, HIGHLANDER
