SPRING 2024 INNOVAR: APPLICATIONS OPEN

Do you have an innovative idea that can help shape the Inland Empire, or even better - change the world? Bring your solutions to life with INNOVAR!

INNOVAR will help you shape entrepreneurial ideas across various tech industries such as sustainable farming, transportation, medical devices, robotics, & much more. Learn to innovate solutions that can create positive change in the world & have the revenue potential for marketplace commercialization.

FUNDING OPPORTUNITIES

Receive up to $3,000 for proof of concept & customer discovery
