

NOV 27TH, 2023 (ZOOM) A COMPASS TO VIRTUAL WORKSHOPS

A Scaffold for Online Workshops

Delivering professional development online can be effective but also tricky. In this workshop, participants will learn about and employ strategies to convert an interactive workshop (demo) from an in-person to an online format. They will also share their insights to expand presenters' own list of Do's and Don'ts for online workshops.

On ZOOM!

**9/27/23 from
5pm-6:30pm**

**NO COST
Interactive
workshop**
