

Join us for the Absolute Q Digital PCR Demo!

The UCR Genomics Core and your ThermoFisher team are hosting an Absolute Q Digital PCR Demo. Learn about how the Absolute Q will improve your workflow, best practices, data analysis, and get hands on experience using the Absolute Q from a dPCR specialist.

Date: Thursday, September 26, 2024

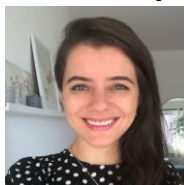

Time: 10:00 am – 2:00 pm PST

Location: Keen Hall, Room 2018

***Please register via QR code:**

Hosted by:

Juliana Ramos, PhD
Digital PCR Technical Specialist
