

Stereo-seq Q&A Office Hour

Hosted by: Genomics Core, Institute for Integrative Genome Biology, UC Riverside
And Complete Genomics/STOmics

You are invited to participate in the Q&A session dedicated to researchers on campus looking to experience the exciting Spatial Transcriptomic Technology that Stereo-seq offers.

We will host 30 min sessions for researchers to ask questions on experiment design, latest technology updates and much more. This is also a great chance for you to collaborate with other researchers.
