

Single Cell Genomics Lunch & Learn Lab Event

Join us in Keen Hall 2018 to learn more about our leading portfolio of cell counting and imaging solutions to advance your single cell genomics workflow.

We will have a seminar and pizza in the conference room from 11:30 AM to 12:30 PM, and then bring us your samples in the lab from 12:45 to 2 PM.

We'll be showcasing the Cellometer K2 Fluorescent Cell Counter, a dual-fluorescence cell counter with built-in assays and cell types designed for primary cell analysis.

Hosted by:
