Were you planning on taking a review course?

The Student Run Health Clinic and the Students of the UCR/UCLA Thomas Haider Program in Biomedical Sciences are holding a fundraiser to help fund clinic operations.

We have vouchers provided by both The Princeton Review and Kaplan for MCAT courses that we are offering in a silent auction.

If you were planning on taking a prep course, this is a fantastic opportunity to take The Princeton Review or Kaplan class, support your local community, and help advance healthcare to the underserved population in Riverside.

Choose the time and dates for the course you would like to take: if you want it for Spring Quarter in the evenings, in summer during the mornings...you get to choose!
