

Are you interested in conservation, ecology, and environmental science at UCR?

Come to the first SEEDS meeting of Fall 2020!

A group of graduate students will help you learn more about how to get involved with SEEDS (Strategies for Ecology Education, Diversity and Sustainability), an undergraduate group that promotes engagement in ecology. This is the first in a series of meetings by the Center for Conservation Biology and SEEDS that will foster undergraduate career development in ecology and conservation. All are welcome!

Date: 11/17/2020

Time: 4- 5 PM

If interested fill out this form <https://forms.gle/DPPXpuvUVq6N2EBS9> to be added to the meeting mailing list! We will send a zoom link, schedule, and a list of upcoming events. Email arose012@ucr.edu for questions.

SEEDS—Strategies for Ecology Education, Diversity and Sustainability
