A Screening of the BBC Documentary *India: The Modi Question*

Wednesday, April 26, 3-5 pm in INTS 1128

The screening will be followed by audience discussion,
moderated by Dr. David Lloyd.

BBC's 2023 documentary, *India: The Modi Question*, takes a critical look at the tensions between Indian Prime Minister Narendra Modi and India's Muslim minority, investigating claims about his role in the 2002 "riots" that left over a thousand dead. Since the release of the documentary, the Indian central government has used its emergency powers to deny people online access to the documentary and disable its public screenings, particularly in Indian universities. This screening is an invitation to witness what the Indian central government does not want us to witness and to reflect collectively about censorship under authoritarian regimes.

Please wear a mask to this event.

There is no food or drink (other than bottled water) allowed inside INTS 1128.
