Learn about the GloCal Health Fellowship at the UC Riverside Informational Lunch Session on Wednesday April 30, 12:30 to 1:30pm HMNSS1500.

The GloCal Health Fellowship, sponsored by the National Institutes of Health (NIH) Fogarty International Center (FIC), is a 12-month, mentored research fellowship for individuals interested in studying health in low-and-middle-income countries (LMICs). The fellowship is designed for:

- University of California (UC) doctoral students (PhD, DrPH, etc.) and professional students (MD, DDS, DVM, PharmD, etc.);
- US postdoctoral fellows from any discipline;
- Postdoctoral fellows from affiliated sites in LMICs.

Applications are due September 15, 2025.
