

Attention Biology Grad Students & Post-docs:

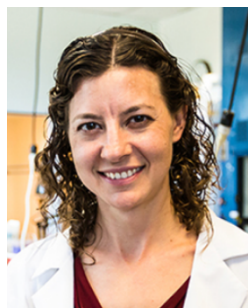

Interested in a career at a Primarily Undergraduate Institute (PUI)?

Attend a **Career Panel** containing speakers with Tenure-Track positions at PUIs in California:

- **Wed April 10th form 7-8 pm on zoom**
- Organized in collaboration with the Bridges to PhD Program at Cal Poly Pomona & UCR, but **all are welcome!**
- An evening to learn more about jobs at various PUIs, Q&A, and networking
- Speakers' research focus is biomedical/ molecular biology related; tips for how to translate this type of experience into teaching-focused jobs.
- Register [here!](#)
