

# We are here to be *heard*.

**Take part in The Stories We Tell, a testimonial writing workshop for survivors of gender-based violence and other human rights violations.**

Center for Story & Witness (formerly The Voices and Faces Project) invites you to apply for The Stories We Tell, a two-day testimonial writing workshop. Workshop participants will read and discuss testimonial writing across history and social movements, reflect on how to share their own stories, and engage in real-time writing exercises and free write sessions. With a focus on memoir, fiction, non-fiction and poetry, The Stories We Tell was created to support those who seek to use writing as a vehicle for personal or political change.
