

DISABILITY ART EXPO

Looking to showcase your art?

SDRC will be hosting a Disability Art Expo with the goal to showcase the work of artists with disabilities and their allies. Art submissions can reflect experiences, challenges, triumphs, or one that provides a perspective that challenges societal norms and promotes accessibility and equity. We aim to create an inclusive space of reflection while providing possibly new perspectives and insights into our local disability community.

*Submissions are welcomed from students, staff, and faculty.
