# Introducing Accolade

*A New Way to Health Care*

# Accolade doesn't *change* your medical benefits — it makes them *better*.

Starting in 2023 and available exclusively with the **UC Care**, **Health Savings Plan**, and **CORE** PPO plans, Accolade will provide you and your covered family members with personalized support for your health care and benefits needs for these three plans. They'll take the time to get to know you and understand your needs.

On Jan. 1, 2023, Accolade Health Assistants will replace Anthem Blue Cross customer service (Anthem Health Guide) as your first point of contact for all your PPO plan benefits and health care questions. Anthem will continue to process claims for care.

Learn more about Accolade during Open Enrollment this fall.
