

The Edward A. Dickson Emeritus/a Professorship Lecture Series

.....

"On Human Nature: The Biology and Sociology of What Made Us Human"

Tuesday, October 20, 2020

3:30 - 5:00 p.m.

All lectures meet online via Zoom

Section: 202CCS127

Featuring

Jonathan H. Turner

38th University Professor,
University of California, Distinguished
Professor of the Graduate Division, UCR

Description

The presentation will revolve around a recently completed book: *On Human Nature: The Biology and Sociology of What Made Us Human* (in press with Routledge for early Fall 2020). Discover at a genetically driven biological level the fundamental behavioral tendencies of humans and their immediate ancestors beginning five million years ago.

What you will need

- A computer, tablet, or smartphone with speaker or headphones.
- After registering, you will receive an email notice from UCR Extension Osher Lifelong Learning Institute at least one week prior to the course start date. It will contain Log-In information including a link to "Join via computer" as well as phone numbers for a call in option.

How to Register

Please contact Student Services at (951) 827-4105, Monday-Thursday 8:00 a.m. - 12:00 p.m.
